Notes/Comments:
Pool gate latch is sticking again.

Was the bathroom cleaned to standard?
No

Note from submitter: Bathroom was signed off as complete but the photos show the tub was not scrubbed and there is still hair in the drain. The toilet paper holder is empty in photo 4.

Please redo the bathroom before end of shift and re-take all four bathroom photos. If the drain is blocked rather than dirty, raise it with maintenance instead of re-cleaning.
